SUMMARY

MCA student with knowledge of Java, SQL, MySQL, and Data Structures & Algorithms, with hands-on experience building Java-based backend projects using JDBC. Currently learning Spring Boot and focused on Java backend development.

EDUCATION

Master of Computer Applications (MCA) (<i>Pursuing</i>)	2025 – 2027
Jawaharlal Nehru Technological University Anantapur (JNTUA)	(Current) CGPA: 8.0
B.Sc. (Mathematics, Physics & Computer Science)	2022 – 2025
Government Degree College, Jaggampeta	CGPA: 8.16
Class XII (MPC)	2020 – 2022
Government Junior College, Jaggampeta	55%
Class X (SSC)	2019 – 2020
ZP High School, Malleshpalli	89%

TECHNICAL SKILLS

- **Programming Languages:** Java, SQL.
 - **Web Technologies:** HTML, CSS, JavaScript.
 - **Database:** MySQL, DBMS.
 - **Tools:** Git, GitHub, IntelliJ IDEA, VS Code.
 - **Core CS Concepts:** OOPs, **Data Structures & Algorithms**, Operating Systems, Computer Networks.
-

PROJECTS

Library Management System

Technologies: Core Java, OOP, Collections, Exception Handling, MySQL, JDBC.

- Developed a console-based Library Management System using Core Java, OOP, JDBC, and MySQL.
- Implemented book and member management along with book borrowing and return operations.
- Applied Collections and custom exception handling to manage application logic and business rules.
- Integrated MySQL using JDBC and implemented DAO and service layers for structured database operations.
- Implemented borrowing rules, due-date tracking, and fine calculation based on late returns.
- Used SQL queries, JOINS, and transactions for managing related library records.

Faculty Attendance and Leave Management System

Technologies: Core Java, JDBC, MySQL

- Developed a Java-based Faculty Attendance and Leave Management System.
- Implemented faculty attendance tracking, leave request management, and login functionality.
- Integrated MySQL using JDBC for database storage and retrieval.
- Applied object-oriented programming concepts to organize application components.
- Designed and developed the application independently from application logic to database integration.

INTERNSHIPS & Certificates

Quality Inspection Intern

Himatsingka Seide Limited | Hanumanthapura, Karnataka

May 2024 – June 2024

- *Inspected textile products to ensure compliance with quality standards.*
- *Documented inspection results and assisted in identifying manufacturing defects.*
- *Collaborated with the production team to maintain product quality.*
- *Gained experience in teamwork, communication, discipline, and adapting to a professional work environment.*

Web Designing Intern

ReKonnnect Skills

December 2024 – April 2025

- *Learned HTML, CSS, and basic web design principles through practical assignments.*
- *Developed responsive web pages and improved understanding of front-end development.*
- *Gained experience in website layout design and user interface fundamentals.*

Achievements:

- *APICET 2025 – Secured Rank 2546.*
- *Regularly practice Data Structures & Algorithms and problem-solving on LeetCode.*
